

## Autumn Blessing

May the God who gives the autumn color  
    Enrich our lives with his presence.  
May the God who gives the autumn harvest  
    Sustain our lives with his love.  
May the God who, in Jesus, shows that life comes from death  
    Bless us with his life, now and for all eternity.  
Amen.

We bless you,  
God of Seed and Harvest  
And we bless each other  
That the beauty of this world  
And the love that created it  
Might be expressed through our lives  
And be a blessing to others  
Now and always  
Amen.

For the beauty and wonder of creation, in earth and sky and sea,  
    I give thanks with my whole heart.  
For all that is gracious and good in the lives of women, men, and children,  
    I give thanks with my whole heart.  
For a mind to think, a heart to love, and hands to serve,  
    I give thanks with my whole being.  
For health and strength to work, and leisure to rest and play,  
    I give thanks.

The earth is the Lord's  
And all that is upon it  
Created and creative things  
Fruit and Fruitfulness  
Springtime and Summer  
Seedtime and harvest

For the promise of harvest  
contained within a seed  
we thank you.  
For the oak tree  
within an acorn  
The bread  
within a grain  
The apple  
within a pip  
The mystery of nature  
gift wrapped  
for us to sow  
we thank you.
