May the angels of light
glisten for us this day.

May the sparks of God's beauty
dance in the eyes of those we love.

May the universe
be on fire with Presence for us this day.

May the new sun's rising
grace us with gratitude.

Let earth's greenness shine
and its waters breathe with Spirit.

Let heaven's winds stir the soil of our
soul
and fresh awakenings rise within us.

May the almighty angels of light
glisten in all things this day.

May they summon us to reverence,
may they call us to life.

From *Praying with the Earth*
by John Philip Newell

On this day
the blessings of heaven.

On this day
the blessings of earth.

On this day
the blessings of sea and of sky.

To open us to life
to ground us in life
to fill us with life
and with wonder.

On those we love this day
and on every human family
the blessings of heaven
the blessings of earth
the blessings of sea and of sky.

Something to think about as you
walk –

How can I walk as one with others
for the betterment of our planet?

How can I walk as one with God?
